

Nursing
Associate in Applied Science
60 Semester Hours^

ONETonline.org SOC Code: 29-1111.00

The Nursing Program at Eastern West Virginia Community and Technical College is designed to prepare the Associate Degree Program graduate for practice as a registered nurse once licensure requirements are satisfied. The registered nurse is prepared to care for people of any age who have acute or chronic health care problems in a variety of settings. The nursing student will master the National League of Nursing Competencies which includes human flourishing, nursing judgment, professional identity and spirit of inquiry. The mission of the program is to prepare students for professional nursing practice while providing a knowledge base for career mobility and further academic study. The program is committed to providing accessible, high-quality nursing education to meet the diverse and changing health-care needs of the community and beyond.

Additional information regarding admission requirements, standards of progress and nursing program policies are available through Eastern's website and from the Director of the Nursing Program. Students interested in applying for the Nursing program should contact Eastern's Student Services Specialist for additional information. Students applying for admission to the Nursing, A.A.S. program are required to comply with the general admission requirements as well as those admission requirements specific to the Nursing program. The Nursing program has additional course testing and program related fees.

Upon successful completion of the program the graduate will be able to:

- Understand maintaining health and promoting wellness throughout the life span.
- Demonstrate an understanding of the nursing process, clinical judgment and decision making.
- Understand concepts of the wellness-illness continuum in relation to a person, family and community.
- Critically analyze health policy and ethical.
- The graduate will be prepared for the NCLEX-RN exam and licensure.
- The graduate will develop the skills and knowledge to perform a health assessment across the lifespan.
- Function within the role of the Associate Degree prepared professional nurse.
- Demonstrate personal/professional growth and development with increasing self-direction.
- Demonstrate a commitment to lifelong learning through the use of resources, technology and continuing education.

Program Implementation: Full-time day

Recommended Course Sequence – Nursing, Associate in Applied Science
