ORIENTATION INFORMATION

Call 1-877-982-2322 or 304-434-8000 to reserve your space in one of these sessions.

New Student Orientation and Registration

New students are required to attend a New Student Orientation Session before meeting with their advisor to register for classes. Students must have an appointment prior to attending orientation to ensure that all necessary documentation has been received and required testing has been completed. Please call Patty Goldizen, Learner Support Services Program Coordinator, to schedule an appointment.

During orientation, students will be given an Orientation Guide and Student Handbook which includes information about Eastern and tips on how to be a successful student.

Following the New Student Orientation Session, students will meet with their program advisors to register for classes. Call Patty Goldizen, Learner Support Services Program Coordinator, to schedule an appointment for one of the orientation sessions listed below.

August 9, 2012	2:00 PM – 6:00 PM	Room 104B

Eastern Changes to Blackboard 9 for all Online Courses in Fall 2012

Beginning in the Fall semester of 2012, Eastern will use a new version of Blackboard for its online courses. Blackboard 9 (Bb 9) will be used for all Eastern online courses. Because of this change, students who have previously taken an online course using Blackboard Vista are encouraged to attend one of the Online Orientation sessions to become familiar with Bb9. Students with a Blackboard Vista login name and password will be given new User ID and password compatible with Bb9. Refer to the online orientation schedule for meeting dates and times.

ORIENTATION INFORMATION

Call 1-877-982-2322 or 304-434-8000 to reserve your space in one of these sessions.

Online and VDL (Video Distance Learning) Course Orientation

Students enrolling in any online courses in the Fall 2012 semester must attend an online orientation session. This appointment can be scheduled by your advisor, the Academic Services Program Coordinator, any Learner Support Services staff, or the Receptionist.

Students who have successfully completed an online or VDL course do not need to attend an online course orientation session; however students are strongly encouraged to repeat this session.

Prior to each of the online/VDL orientation sessions, Learner Support staff will be available to assist students with course registration. Students attending an online orientation should schedule an appointment with an advisor to assure staff availability for registration. Call Laurel Godlove, Academic Services Program Coordinator, to schedule an appointment.

ONLINE/VDL Orientations

Main Campus: 316 Eastern Drive, Moorefield, WV

August 7, 2012	10:00 – 11:30 AM	Room 204
August 8, 2012	2:00 – 3:30 PM	Room 204
August 9, 2012	5:00 – 6:30 PM	Room 204

Placement assessments may be completed prior to the orientation/registration session.

To schedule an appointment call: 304-434-8000 or toll free 1-877-982-2322.

If you are unsure you need to complete the placement assessment call Monica Wilson, Assistant Director of Admissions or Paula Worden, Student Services Specialist.

Students who wish to apply for financial aid should register for a FAFSA workshop session. Attending a FAFSA workshop session helps students get off to a successful start. Contact Patty Goldizen, Learner Support Program Coordinator, to register for a FAFSA workshop session.

The Student Services Specialist, advisors and staff will be available to answer questions and to provide information that will make starting classes easier.

West Virginia senior citizens (65 years of age) pay 50% of tuition per credit hour, pending available openings in the course section.

TUITION AND FEES

Making Payment

College policy requires all tuition and fees to be paid prior to the first day of each semester, term or class with a delayed start. Students registering on or after the last day to pay for early registration, including those students adding classes, must make payment arrangements at the time of registration. Registration will be considered incomplete until full payment is received and students will not be permitted to attend classes until registration is completed.

Students who have a bona fide third party agency paying their tuition, with authorization provided in writing; who have a late financial aid disbursement; or who participate in the Academic Management Services Monthly Payment Plan will not be required to pay tuition and fees at the time of registration.

Financial Aid students who have completed the Financial Aid Process and have an award amount that is equal to or greater than required tuition may have their accounts credited at the time of registration, provided that a completed Eastern deferment form is on file. Students who have an award amount that covers only a portion of tuition and any book costs will be required to pay the balance due within three working days of registration. Eastern accepts personal checks, money orders, or credit cards (VISA and MasterCard). Payment can be made in person at the Main Campus during business hours; or by mailing a check or money order; or by phone 1-877-982-2322 with an approved credit card.

Payment Plans

For students who prefer to pay their tuition over a period of time rather than all at one time, Academic Management Services (AMS) offers an interest free monthly payment option. For additional information contact the College or AMS directly at 1-800-635-0120.

GENERAL EDUCATION COURSES AND DESIGNATIONS

Each degree and certificate program contains required general education courses. Approved course options vary according to degree program requirements. Making Up an Examination

Instructors may choose to use the Make-up testing services available through the academic services office for students who miss scheduled exams. A student who is authorized by their instructor to make up a missed exam must contact the instructor to discuss exam make-up options. If the instructor permits the student to take a make-up exam utilizing the testing services available through the academic services office, the instructor will provide testing materials to the Academic Services Coordinator. The student will be required to schedule a testing appointment with the Academic Services Coordinator in order to take the make-up exam. No make-up exams will be scheduled without prior authorization from the instructor. It is the student's responsibility to initiate the process with the instructor and to then schedule a testing appointment with the Academic Services Coordinator.

Cross the tracks, and turn right onto CR-220/2/ Fish Hatchery Road. Continue to follow CR-220/2. Take a right at the Region 8 & Eastern sign onto Airport Road. Take another right before the little bridge, and the Technology Center sits on the right.

DISCOVERY CENTERS

In addition to the Main Campus, Discovery Centers are located throughout the service area. These Discovery Centers operate as distance learning classrooms linked with an interactive audio, video and data telecommunications system. This system permits classes to originate at any location, enabling the instructor to maintain simultaneous two-way audio and video contact with students.

This allows the College to provide more course offerings to all regional centers, to better utilize its instructional resources and most importantly increase educational opportunities throughout its district.

Open Lab/Tutoring Information

Eastern provides a tutoring opportunity for students enrolled in math and English courses as well as other courses requiring math and writing skills. Students who would like assistance with math or writing assignments can meet with faculty during the scheduled lab times. Students enrolled in Beginning Composition (ENL 99) are required to attend the Open Writing Lab for at least one hour per week. ENL 99 students should contact their instructor for details. However, the math and writing labs are open to all other students for tutoring or assistance with assignments.
