

EASTERN WEST VIRGINIA COMMUNITY & TECHNICAL COLLEGE
BOARD OF GOVERNORS
POLICY NO. BP-3.10

TITLE: CATALOG ADHERENCE

SECTION 1. GENERAL

1.1 Scope

1.2 Authority

1.3 Effective Date July 17, 2003
Revised Date: September 17, 2012

SECTION 2. STATEMENT

Eastern West Virginia Community and Technical College's Academic Catalog contains official announcements of College policies, programs of study and courses offered for the period specified therein. The College reserves the right to repeal, revise or amend the information contained in the Catalog.

Interim Catalog Addenda may be issued during the life of any edition of the Catalog. It is the responsibility of the student to read and abide by the Catalog and any of the subsequent Addenda that may be published. Such Addenda will be available from the Learner Support Services staff in the College's Headquarters and from the College's official web site.

Students enrolling at Eastern West Virginia Community & Technical College must follow the program requirements listed in the Catalog in effect at the time of entry into the College (provided graduation requirements are completed within five years). Students have the option of meeting program requirements in a later Catalog provided that they make a formal written request to the Dean of Academic and Student Services and that they meet all requirements of the later Catalog.

This policy does not imply that the College will necessarily continue to offer all courses needed to complete all programs for which students may have enrolled. If a substitution course is needed, a suitable course must be recommended by the advisor and approved by the Dean of Academic and Student Services prior to the student enrolling in the course.
