This screen may appear and you will select install now. If a different appears, click on Office 365 in the upper left corner.

The screenshot displays the Office 365 web interface. At the top, a blue navigation bar contains the 'Office 365' logo on the left and links for 'Outlook', 'Calendar', 'People', 'OneDrive', and 'Tasks' on the right. A user profile icon and a settings gear are also visible. The main content area features a large red box on the left with the text 'Let's make a difference today.' To the right, the heading 'Install Office on your PC' is followed by icons for Word, Excel, PowerPoint, Outlook, and OneNote. A prominent red 'Install now' button is positioned to the right of these icons. Below the icons, there are links for 'Language: English' and 'Change language'. Further down, the section 'Collaborate with Office Online' includes a row of icons for Outlook, Calendar, People, OneDrive, Tasks, Word Online, and Excel Online. The bottom of the page shows a browser address bar with the URL 'https://outlook.office365.com/owa/?realm=student.easternmv.edu&eivurl=1&ll-cc=1033&modurl=2' and a zoom level of 100%.

After clicking on Install now, a pop-up window will appear at the bottom of the screen. Select RUN to install it on your PC.

The screenshot shows the Office 365 web interface. At the top, there is a blue navigation bar with the Office 365 logo and links for Outlook, Calendar, People, OneDrive, and Tasks. A user profile icon, settings gear, and help question mark are on the right. The main content area features a large red box on the left with the text "Let's make a difference today." To the right, the heading "Install Office on your PC" is followed by icons for Word, Excel, PowerPoint, Outlook, and OneNote. A prominent red "Install now" button is positioned to the right of these icons. Below the icons, there are links for "Language: English" and "Change language". A note mentions Mac and mobile app installation options. The "Collaborate with Office Online" section displays icons for Outlook, Calendar, People, OneDrive, Tasks, Word Online, and Excel Online. At the bottom, a Windows security warning dialog box is open, asking if the user wants to run or save the file "Setup.X86.en-US_0365ProPlusRetail_fbd3be1c-34b4-40d0-b4d5-8d9e4c5fd85b_TX_PR_exe (1.00 MB) from c2rsetup.officeapps.live.com?". The dialog has "Run", "Save", and "Cancel" buttons, and a "100%" zoom level indicator.

Once it downloads, you will see the following screen while it installs. Select NEXT will it becomes available

Let's make your work differer today.

Outlook Calendar People OneDrive

Office is installing in the background (34%)
You can use your programs now, but please don't go offline or restart your computer.

<https://outlook.office365.com/owa/?realm=student.easternwv.edu&exsvurl=1&l-cc=1033&modurl=1>

Select “Learn more” or skip by selecting “Next”

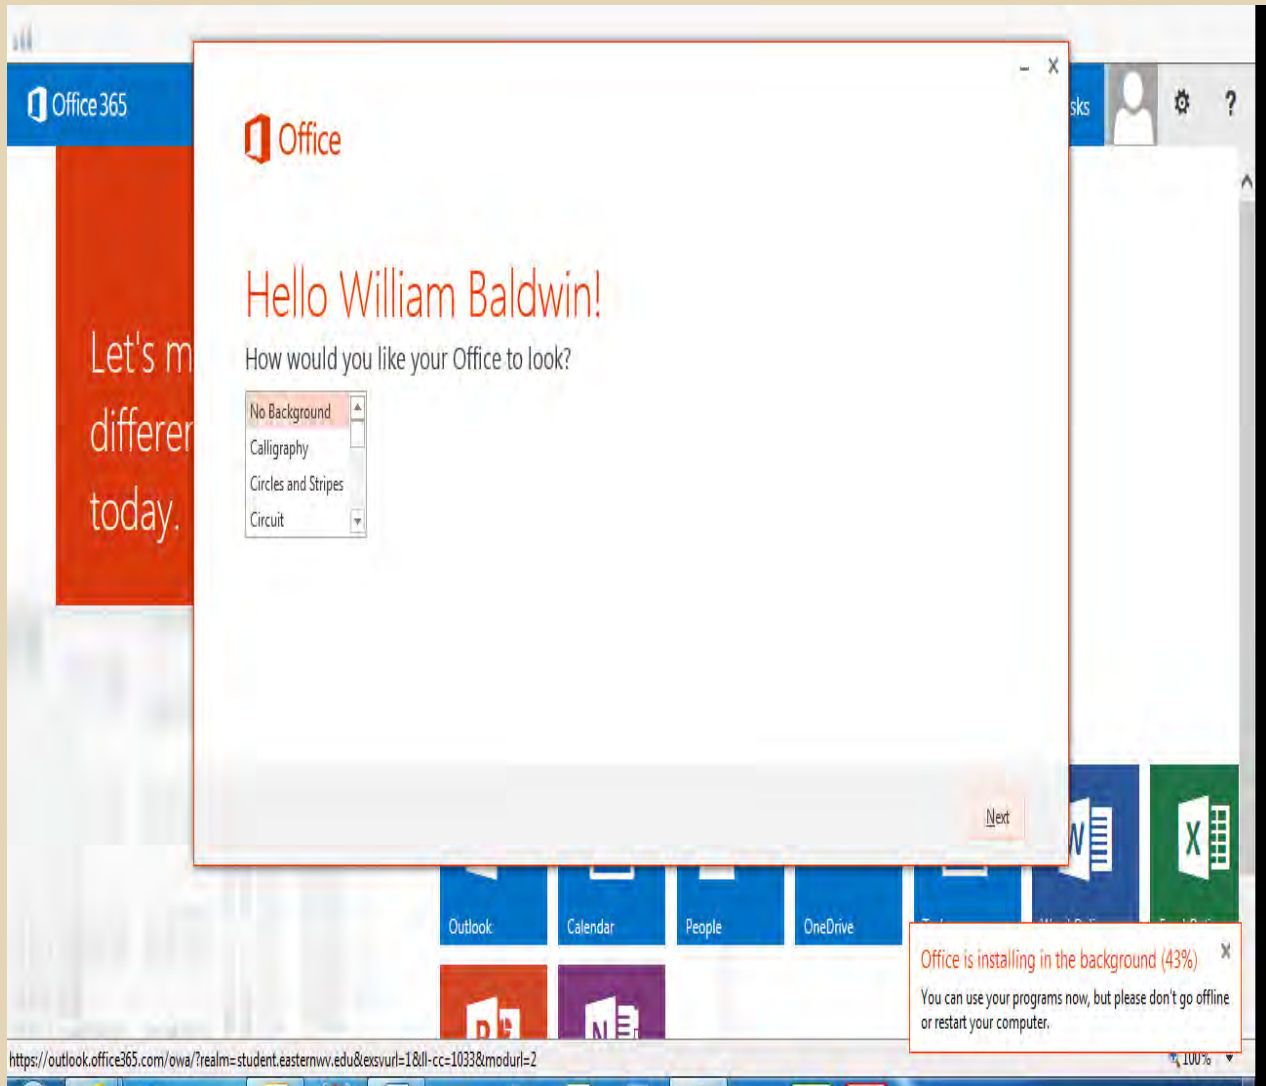

The image shows a screenshot of a web browser window displaying an Office 365 installation screen. The browser's address bar shows the URL: <https://outlook.office365.com/owa/?realm=student.easternwv.edu&exsvurl=1&ll-cc=1033&modurl=3>. The browser's title bar reads "Office 365".

The main content area features a white dialog box with the Office logo at the top left. Below the logo, the text reads "Meet OneDrive." followed by two paragraphs: "Signing in to Office means you can save documents to the cloud with OneDrive." and "OneDrive gives you anywhere access to your files and makes it easy to share with the people who need them." Below the text is a "Learn more" link. To the right of the text is a graphic of a blue cloud connected by dotted lines to icons of a desktop monitor, a smartphone, and a laptop. At the bottom right of the dialog box is a "Next" button.

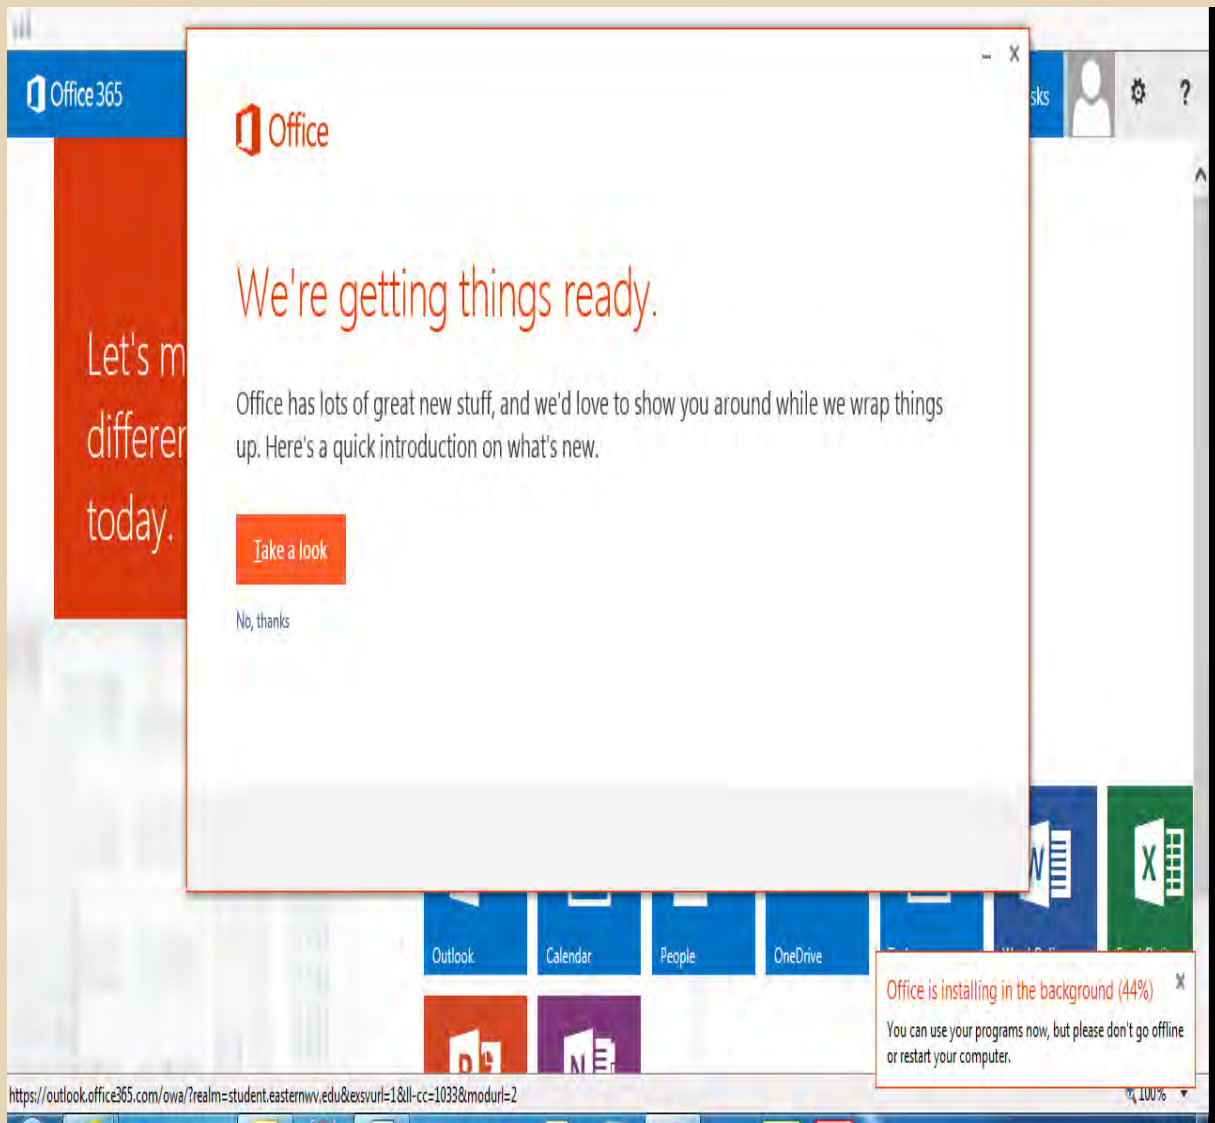

On the left side of the browser window, there is a red vertical banner with the text "Let's make a difference today." partially visible.

At the bottom of the browser window, there is a notification box with a red border and a close button (X). The notification text reads: "Office is installing in the background (37%) You can use your programs now, but please don't go offline or restart your computer." Below the notification, the browser's status bar shows the page zoom level as "100%".

You can select a background or leave it defaulted to no background, then click on next

You can select “take a look” or skip by selecting “no thanks”

Your office is still installing and we're almost done

The screenshot shows the Microsoft Office 365 installation progress window. The window title is "Office 365". The main content area features the Office logo and the text "Office" in a large font. Below this, it says "You can use Office now." and "We're wrapping things up — please stay online as we make some finishing touches." A progress bar is visible at the bottom of the window, showing the installation is 46% complete. In the bottom right corner, there is a small notification box that says "Office is installing in the background (46%) You can use your programs now, but please don't go offline or restart your computer." The background of the screenshot shows the Windows Start menu with various application tiles like Outlook, Calendar, People, and OneDrive. The address bar at the bottom of the browser window shows the URL "https://portal.office.com/NewSpocDocument?docType=PowerPoint".
