RE: Presidential Search Progress Report 1.13.2021

On behalf of the Board of Governors, I would like to provide a brief update to let you know that we are on schedule with our national search to identify the next President of Eastern West Virginia Community & Technical College. The recruitment of candidates is going well, and we have attracted a strong pool of candidates from throughout the region and entire nation. The Target Date for receipt of applications was January 12, 2021. In the coming weeks, the Presidential Search Committee will meet to select the confidential semifinalist candidates and engage in first-round confidential interviews.

As a reminder, we anticipate that the final candidates will visit EWVCTC the week of March 8th and participate in public forums, tour the College, meet with direct reports, and interview with the Board of Governors. We will announce the finalists as well as the dates and times of the public forums once they are confirmed. Everyone who attends a public forum will have an opportunity to provide feedback. All feedback will be shared with the Board of Governors as part of their deliberation process.

The Board is committed to conducting an equitable, inclusive, and transparent national search process. If you have any questions or suggestions, please feel free to reach out to our ACCT Search Consultants:
